Dear Colleagues,

It gives us immense pleasure to invite you on behalf of **API Delhi State Chapter** to participate in **MID-TERM CME** on **Sunday, June 26, 2022** at **Shangri-La's Eros Hotel, Ashoka Road, New Delhi.**

With the increasing advancements in science and technology, it should be our endeavor that the medical fraternity should keep pace with the rest of the world to provide a proper approach as well as certified methodology regarding medical sciences. This can be most appropriately achieved through CMEs which provide both theoretical as well as practical perspective. Keeping this in mind, the Association of Physicians of India has designed the scientific program.

The CME will provide a comprehensive update on recent advances in medicine and cover a wide range of topics related to **Hypertension, Diabetes, Cardiovascular and Kidney Disease - How to Approach and Manage**, and also cover a **Debate Session on Empathy - Can it be taught?**

The success of this **MID-TERM CME** depends upon your active participation as delegate.

We would, therefore, request you to register for the MID-TERM CME at the earliest.

Please find enclosed the Registration Form.

We eagerly look forward to welcoming you.
